MAINTENANCE WORKER (HOUSING) CIVIL SERVICE: NON-COMPETITIVE

Job Description:

This is semi-skilled and skilled work involving responsibility for independently performing a variety of mechanical and other building and grounds maintenance tasks or for serving as a helper to a Senior Maintenance Worker. In either case, although a working knowledge of one or more trades is necessary, a Maintenance Worker (Housing) does not utilize the more skilled journeyman techniques for any considerable portion of his time. In addition, the work may involve the part-time operation of a truck, automobile or other automotive equipment. General instructions are received and work is performed under immediate or general supervision, depending upon the nature of the task. Individual may be "on-call" outside regular working hours. This position has no residency requirement.

Examples of Work (Illustrative only):

The successful candidate will be expected to:

- ✓ Perform semi-skilled work in painting, plumbing, electrical, masonry and carpentry operations;
- ✓ Help install and repair wiring systems and electric fixtures and equipment;
- ✓ Repair windows, doors, floors, walls and other parts of buildings;
- ✓ Do interior and exterior painting where quantity rather than fine quality of work performed is the principal object;
- ✓ Help to install and repair general plumbing equipment, such as sinks, toilets and baths;
- ✓ Assist in cleaning and repairing boilers, pumps, heaters, pipe lines, valves and traps;
- ✓ Mix plaster and concrete and assist in laying brick, plastering walls, finishing concrete work, etc.;
- ✓ Operate trucks, automobiles, air compressors and other motorized equipment;
- ✓ Collect trash, sweep halls and floors, wash windows and walls, wax and buff floors;
- ✓ Maintain and account for tools, equipment and supplies;
- ✓ Take part in general grounds maintenance activities;
- ✓ Serve as general handyman performing a variety of skilled and semi-skilled duties;
- ✓ Perform other related duties as directed.

Full Performance, Knowledge, Skills, Abilities and Personal Characteristics:

- ✓ Good knowledge of buildings and grounds maintenance and repair practices;
- ✓ Good knowledge of building cleaning practices, supplies and equipment;
- ✓ Working knowledge of the practices and techniques of one or more of the standard trades;
- ✓ Ability to follow verbal and written instructions;
- ✓ Mechanical aptitude;
- ✓ Industry;
- ✓ Dependability;
- ✓ Manual dexterity;
- ✓ Physical condition suitable to the demands of the position; ability to work with others as a team.

Minimum Qualifications:

- ✓ Four years of experience in either general building maintenance, or building trades work in one or more of the standard trades, such as carpentry, plumbing, electrical; or any equivalent combination of experience and training.
