Sarah's News

Deciding what to write for this month's newsletter has been difficult. As I contemplated the options, I found myself tapping my fingers on the desk. The first finger to hit my desk was my pinkie, followed by my ring finger, middle finger, and, finally, my index finger. What is that called? Finger drumming? Finger tapping? I want to know.

Then, I began to wonder how many people read the newsletter. Back in the day – say, four or so years ago – the newsletter was printed and delivered to all apartments at both the Lake Flower and Algonquin apartments. The response to the puzzle section indicated that a number of residents looked, at least, at that part of the newsletter.

Increasing budget cuts led to the elimination of paper delivery. Now, the newsletter is available on the Housing Authority's website and emailed to those whose email addresses we have. Yes, a few printed copies are made available in the Lake Flower Apartments. We're curious how many people look at the newsletter.

So, do you read, or even look at, the newsletter? Let us know! Email Tammy at tburdt@harrietstownha.org or stop by her office window and tell her. If you do, we'll know you read this paragraph. If you're motivated, let her know what you think about the newsletter. What do you like? What would you want to see?

If no one reaches out to Tammy, we won't know whether no one reads it or 5,000 people read it but didn't let us know. So.....please, let us know!

TID BITS FROM DAVID SIEGRIST

Summer is moving along at a good pace. August is upon us already.

Maintenance is scrambling to prepare apartments for rental and doing a fine job. It's a lot of work for two guys and it's a balancing act. Circus experience looks good on a job application.

Every day is something new and we tackle all challenges head on. Let the maintenance guys know how they are doing because, let's face it, without them, things come quickly to a halt.

We don't have any major projects going right now at either complex. Just keeping things up as best we can.

While I've said it before, any help residents can give us keeping miscellaneous trash picked up helps a lot. These places are your homes and we want them to look as good as do you, the tenant.

Not as much stuff that isn't recyclable has been placed in the recycling bins at the Algonquin and we thank you. I personally am glad to see how much we do recycle and praise those who are so diligent keeping recyclables out of the land fill.

Together we can keep our complexes looking good and running efficiently.

Before you know, it will be time to head back to school and we hope all have had or are having a great summer vacation and are looking forward to hitting the books again.

Trust me, school will be over before you know it and the real world will be at your feet. Just look before you leap. It can be a long way down.

Did anyone pack my backup chute? See you next month.

RESIDENT NEWS AND ISSUES...By Debbie Zerrahn

Hard to believe it is August already. Where did the summer go...did it ever arrive in the Adirondacks?

Time to start thinking about the beginning of a new school year. Get those school supplies, school clothes, and little kiddies ready for another great year. There are still a few good weeks left to summer. Get out and enjoy the sun — swim, hike, and everything the Adirondacks have to offer.

Lake Flower residents, the patio is set with tables and umbrellas. The BBQ grill is looking for some use. Grab your neighbor for an evening cook out. Fall and Winter will be here before we know it.

IRENE'S THOUGHTS

With so much within walking distance, it isn't hard to keep yourself busy. Using the Riverwalk is such a nice way to get around downtown. Not only is the walk by the river calming, but you also get to avoid the busy summer traffic. I also enjoy the Farmer's Market for the fact that it turns into a social event. Rain or shine, there are plenty of vendors and plenty of friends to meet.

Be so busy loving your life that you have no time for hate, regret or fear

Bed Bug Information Center

Where should you look?

- Mattress (piping, sides, underside)
- Box spring (remove ticking)
- Bed frame
- Linens
- Furniture seams, pleats, piping, joints
- Corners and drawers of desks, dressers, etc.
- Door, window, and baseboard trim
- Items on the floor

What should you look for?

- All life stages: eggs, nymphs, adults
- Skin casts
- Blood spots

How do you avoid them?

Carefully inspect all used furniture, linens, and clothing before bringing them into your home.

- Wash and dry clothes on hottest setting items can stand. Transport clothes in plastic bags. Do not put clean clothes in bags used to transport dirty clothes. Throw those away!
- Vacuum frequently.
- Remove clutter.

If possible, use a high powered flashlight when looking around your unit. If you find a bed bug, notify staff immediately. Staff and you will work together to prepare for any needed treatment. Don't delay. It's much easier to treat one or two than it is twenty or thirty. Again, successful eradication requires resident involvement and cooperation.

The sooner we know, the lower the cost to you.
