LEGAL NOTICE

REQUEST FOR PROPOSALS
IT MAINTENANCE AND SERVICE

The Harrietstown Housing Authority is soliciting proposals for IT Maintenance and Service for a two-year period beginning July 1, 2018 and ending June 30, 2020.

Proposals must be in strict accordance with the specifications cited in the Request for Proposals, copies of which are available at the Harrietstown Housing Authority, 14 Kiwassa Road, Suite 1, Saranac Lake, NY 12983 and at www.harrietstownha.org.

Proposals are due on or before 3pm, Wednesday, May 23, in the Housing Authority Office at the above address. The Housing Authority is an Equal Opportunity Employer under the direction of the U.S. Dept. of HUD and encourages Section 3 and Minority and Women's Business Enterprises to submit proposals.

Solicitation Number #180418-001

Sarah A. Clarkin, PHM
Executive Director
Harrietstown Housing Authority

1. BACKGROUND INFORMATION

The Harrietstown Housing Authority (HHA)'s mission is to provide public housing and tenant-based assistance program residents with clean, safe and affordable housing in a non-discriminatory manner. Individuals, families, near elderly and elderly who qualify for low income housing assistance are provided opportunities to achieve self-sufficiency and improve the quality of their lives. HHA creates and maintains partnerships with its residents and appropriate community agencies in order to accomplish this mission.

The HHA's programs are administered at the local level in accordance with state and federal laws. The U.S. Department of Housing and Urban Development (HUD) is authorized to enter into contracts with the HHA for grants and loans to assist the HHA in financing the development and modernization of housing units, and to pay operating subsidies and housing assistance payments to help maintain the operation of its affordable housing programs.

The HHA has 113 units of public housing (across two projects) and administers 135 tenant-based Housing Choice vouchers.

The HHA's IT inventory-in-use consists of:

2. SCOPE OF WORK

Desktop Application Support: The Vendor will perform basic support functions, as needed, including the installation of PCs, laptops, PDAs, and office software. S/he will diagnose and correct any desktop application problems; configure PCs and laptops for standard applications; identify and correct any hardware problems; and maintain inventory.

Server and Workstation Administrative Services: The Vendor will manage network and computer systems, including applications, messaging, servers and associated hardware, software, communications, and operating systems, necessary for performance, security, reliability and recoverability of the systems. S/he will ensure adequate scheduling and implementation of preventive maintenance for equipment. Additionally, s/he will maintain configuration management, including changes, upgrades, patches, etc., user logins, and software products related to servers and workstations. There shall be a timely response to needed maintenance and repairs.

Network Administration Services: The Vendor will maintain and support network equipment including switches, firewalls, routers, and other security devices. S/he shall install and maintain printers, scanners, network devices, etc., as applicable and needed. There shall be proactive monitoring of network equipment, network performance, and capacity management services. Maintenance of network documentation is required.

Email, Security, and Backup Efforts: The Vendor will maintain email accounts using the HHA domain and add, change, and/or delete employee accounts as requested. S/he will maintain virus detection programs on the server and users' computers and laptops; and perform periodic security audits. To the extent possible, the HHA will be configured to enable remote access in a secure environment, with provisions for remote access administration, as requested. Ensure daily backup of computer, data and information, email, and the like. Ensure availability of programs to restore systems and data if servers and/or computers go down.

Reports: The Vendor shall submit quarterly service reports, summarizing service and IT policy issues. The Vendor must be available to meet with HHA staff to review reports and discuss issues.

Purchasing: Vendor shall work with HHA Executive Director to identify and access those products that best meet HHA's needs and, at the same time, adhere to cost constraints.

3. SUBMISSION REQUIREMENTS

Proposals must be submitted in a hard copy or electronic format as set forth in this Request for Proposals, and received by the HHA on or before Wednesday, May 23, at 3pm. The mailing/physical address is 14
